**To:** Olson, Aaron  
**Subject:** BHSU responses to JCA

**Number of teacher graduates that stay in South Dakota each year?**

69% (SDBOR Dashboards). What is unavailable are the number of teachers that have graduated from BHSU that work in the private sector or reservations. BHSU produces 124 graduates (BOR FY16 Factbook). That is the largest number within the Regental system. SDSU and BHSU combine for 54% of the graduates entering the workforce as teachers.

**Number of Faculty that are Native American?**

There are four fulltime faculty and four adjunct faculty classified as Native American. In addition, there are six staff and administrators that are also Native American, including the University President.

**Breakdown of State support vs self-support profile at BHSU?**

The charts below depict the profile only for BHSU.

Black Hills State University FY16 Estimates			
	State-Support	Self-Support	Total
